This is a collective damage insurance policy taken out by Gritchen Affinity with MUTUAIDE ASSISTANCE with optional membership.

**Appendix to Article A. 112-10**

**Advice on exercising your cancellation rights as provided for under Article L. 112-10 of the French Insurance Code**

**Please check that you do not already have cover for any of the risks covered by the new policy. If that is the case, you have the right to terminate this policy for fourteen calendar days from the date it was signed. No charge or penalty is payable provided all the following conditions are met:**

- you took out the policy for non-professional purposes;
- the policy came with the purchase of goods or a service sold by a supplier;
- you can demonstrate that you are already covered for one of the risks covered by this new policy;
- the policy you wish to cancel has not been fully executed;
- you have not made any claim covered by this policy.

In such a situation, you may exercise your right to cancel this policy by letter or via any other lasting medium sent to the insurer of the new policy, together with the document(s) that show that you already have insurance for one of the risks covered by this new policy. The insurer must reimburse you the premium paid within thirty days of your cancellation.

If you wish to cancel your policy but do not meet all the conditions detailed above, please check the cancellation procedure stipulated in your policy.

**Additional information:**

The cancellation letter (suggested template below) to exercise this right must be sent by letter or any other lasting medium to Gritchen Affinity - 27 rue Charles Durand - CS70139 - F-18021 Bourges:

“I, the undersigned, Mr/Mrs/Ms.....residing at .....hereby cancel my policy no.....taken out with MUTUAIDE ASSISTANCE in accordance with Article L 112-10 of the French Insurance Code. I hereby certify that on the date of sending this letter, I am unaware of any claim under the policy.”

**Consequences of cancelling the policy:**

Exercising your right to cancel within the timeframe stated in the box above will result in the policy being cancelled as of the date of receipt of the letter or any other durable medium. As soon as you become aware of a loss covered by the policy, you can no longer exercise this right to cancel.

In the event of cancellation, you are only liable to pay the part of the premium or contribution for the period during which the risk was covered, with this period being calculated up to the cancellation date. The full premium or contribution will, however, be payable to the insurance company should you exercise your right to cancel where a loss of which you were unaware occurs, activating the policy cover during the cancellation period.

#### **OPERATING RULES FOR ASSISTANCE SERVICES**

Only a telephone call from the Insured at the time of the incident will enable the use of assistance services.

Upon receiving the call, MUTUAIDE ASSISTANCE will, once it has verified the rights of the requesting person, organise and pay for the services provided for in this policy.

To benefit from a service, MUTUAIDE ASSISTANCE may ask the Insured to justify the capacity they are asserting and to produce, at their own expense, any documents demonstrating this right.

The Insured must allow our doctors access to any medical information concerning the person for whom we are intervening. This information will be processed in accordance with medical confidentiality.

**MUTUAIDE ASSISTANCE can in no way replace the local emergency aid organisations and intervenes within the limits of agreements given by the local authorities, nor can it cover the costs thus incurred, with the exception of the costs of transport by ambulance or by taxi to the nearest place where appropriate care can be provided, in the event of mild illness or minor injuries that do not require repatriation or medical transport.**

The interventions that MUTUAIDE ASSISTANCE is required to perform are conducted in full compliance with national and international laws and regulations. They are, therefore, reliant on obtaining the necessary authorisations from the competent authorities.

When MUTUAIDE ASSISTANCE has paid for the transport of an Insured, that person must return their unused scheduled return ticket.

MUTUAIDE ASSISTANCE decides on the nature of the air ticketing made available to the Insured according to the possibilities offered by airlines and the duration of the journey.

## DATA COLLECTION

The Insured hereby acknowledges being informed that the Insurer processes their personal data in accordance with regulations relating to the protection of personal data in effect and that, moreover:

- answers to the questions asked are obligatory and that in the event of false declarations or omissions, the consequences for the Insured may be that the policy taken out is invalid (Article L 113-8 of the French Insurance Code) or that the indemnities are lower (Article L 113-9 of the French Insurance Code),

The processing of personal data is necessary for acceptance and execution of the Insured's policy and cover, the management of commercial and contractual relationships and the performance of legal, regulatory or administrative provisions in effect.

The data collected and processed are kept for the period necessary for execution of the policy or legal obligation. These data are then archived in accordance with the timeframes specified by the provisions relating to time limits.

The recipients of the Insured's personal data are, within the limits of their remit, the services of the Insurer in charge of the signature, management and execution of the Insurance Policy and cover, its delegates, agents, partners, sub-contractors and reinsurers, within the framework of their duties.

These data can also be sent, where necessary, to professional bodies as well as to all persons involved in the policy such as lawyers, experts, court officials

and ministerial officers, trustees, guardians or investigators.

Information concerning the Insured may also be transmitted to the Underwriter, as well as to all persons accredited as Authorised Third Parties (courts, arbitrators, mediators, relevant ministries, supervisory and regulatory authorities and all public bodies authorised to receive them, as well as departments in charge of checks such as statutory auditors, auditors and departments in charge of internal checks).

In its capacity as a financial organisation, the Insurer is subject to the legal obligations resulting mainly from the French Monetary and Financial Code with regard to money laundering and against the financing of terrorism and, as such it monitors policies, which could result in the drafting of a declaration of suspicion or a measure of freezing of assets.

Data and documents concerning the Insured are kept for a period of five (5) years from the end of the policy or termination of the relationship.

- The Insured's personal information may also be used within the context of data processing to combat insurance fraud, which may lead, if applicable, to registration on a list of persons presenting a risk of fraud.

This registration could have the effect of extending verification of the Insured's claim, or even the reduction or refusal of the benefit of a right, benefit, policy or service offered.

In this context, personal data concerning the Insured (or concerning persons or parties with an interest in the policy) may be processed by any authorised person working within the entities of the Insurer Group in the context of the combatting fraud. These data may also be intended for authorised personnel of organisations directly concerned by fraud (other insurance organisations or intermediaries; judicial authorities, mediators, arbitrators, court officials, ministerial officers; third party organisations authorised by a legal provision and, where applicable, victims of acts of fraud or their representatives).

In the event of a fraud alert, the data are kept for a maximum of six (6) months to qualify the alert and then deleted, unless the alert appears to be meaningful. In the event of a meaningful alert, the data are kept for up to five (5) years from when the fraud file is closed, or until the end of the legal proceedings and the applicable limitation periods.

The data of people registered on a list of suspected frauds are deleted after five years from being registered on this list.

- In its capacity as Insurer, it is entitled to process data relating to violations, convictions and safety measures, either when the policy is taken out, or during the period of execution, or within the context of managing any litigation.

- Personal data may be used by the Insurer for its processing operations with the purpose of research and development to improve the quality or relevance of its future insurance or assistance products and service offers.

- The Insured's personal data may be accessible to some of the Insurer's employees or service providers established in countries outside of the European Union.

- Upon proof of identity, the Insured has a right of access, rectification, deletion and opposition concerning the data processed. The Insured also has the right to ask to limit the use of their data when no longer necessary, or to recover, in a structured format, the data that they provided when necessary for the policy or when they consented to the use of those data.

The Insured has the right to provide instructions on what should be done with his personal data upon their death. These instructions, whether general or specific, concern the storage, removal and communication of the Insured's data after their death.

These rights can be exercised with the Data Protection Representative for the Protection of the Insured's Data:

- by email: to [DRPO@MUTUAIDE.fr](mailto:DRPO@MUTUAIDE.fr)

or

- by post: in writing to the following address:  
Data Protection Representative –  
MUTUAIDE ASSISTANCE – 126, rue de la  
Piazza – 93196 Noisy le Grand, France.

If the Insured makes a request to the Data Protection Representative that does not conclude satisfactorily, the Insured may contact the CNIL (French Data Protection Agency)

#### **SUBROGATION**

MUTUAIDE ASSISTANCE is subrogated, for the amount of the indemnities paid and the services provided by it, in the rights and actions of the Insured, against any person responsible for the facts that justified its involvement. When the services provided in execution of the agreement are fully or partially covered by another company or institution,

MUTUAIDE ASSISTANCE is subrogated in the rights and actions of the Insured against that company or institution.

#### TIME LIMITS

In application of Article L 114-1 of the French Insurance Code, actions resulting from this policy must be brought within two years of the event giving rise to it. That period is extended to ten years for death cover, when beneficiaries must act within a maximum of thirty years after that event.

However, this time limit only runs:

- in the event of reluctance, omission, false or inaccurate statement on the risk incurred, from the day that the Insurer became aware of it;
- in the event of a loss, from the day that the concerned parties became aware of it, provided they can demonstrate that they were unaware of it until then.

When the action of the Insured against the Insurer is due to the recourse of a third party, this time limit only starts from the day upon which the third party brought legal proceedings against the Insured or was indemnified by the Insured.

This time limit may be interrupted, in accordance with Article L 114-2 of the French Insurance Code, by one of the following ordinary causes of interruption:

- recognition by the debtor of the right of the party against whom the time limit was reached (Article 2240 of the French Civil Code);
- legal action, even in summary proceedings, until termination of the proceedings. The same applies when it is brought before a court that does not have jurisdiction or when the act of referral to the court is nullified by the effect of a procedural defect (Articles 2241 and 2242 of the French Civil Code). The interruption is void if the petitioner withdraws the request or allows the procedure to expire, or if the petitioner's request is definitively rejected (Article 2243 of the French Civil Code);
- a protective measure taken in application of the Code of Civil Enforcement Procedures or an act of forced execution (Article 2244 of the French Civil Code).

You are reminded that:

Notification made to one of the joint debtors in respect of legal proceedings or an act of forced execution, or recognition by the debtor of the right of the party against whom the time limit had expired, interrupts the time limit against all the others, even against their heirs.

However, notification to one of the heirs of a joint debtor or the recognition of this heir does not interrupt the time limit with regard to the other joint heirs, even in the event of a mortgage claim, if the obligation is divisible. This notification or recognition only interrupts the time limit in respect of the other co-debtors, for the part owed by that heir.

To interrupt the time limit period in its entirety in respect of the other co-debtors, all the heirs of the deceased debtor must be notified, or to all the heirs must be acknowledged as such (Article 2245 of the French Civil Code).

Notification made to the principal debtor or their acknowledgment shall interrupt the time limit against the guarantor (Article 2246 of the Civil Code).

The time frames can also be interrupted by:

- The appointment of an adjuster following a claim;
- Sending a registered letter with acknowledgment of receipt (sent by the Insurer to the Insured regarding the action for payment of the premium and sent by the Insured to the Insurer regarding settlement of the claim indemnity).

#### SETTLEMENT OF DISPUTES

Any differences arising between the Insurer and the Insured relating to the determination and payment of benefits will be submitted by the first party to take action, failing amicable resolution, to the competent court at the domicile of the Insured, in accordance with the provisions of Article R 114-1 of the French Insurance Code.

#### FALSE DECLARATIONS

**When they change the subject of the risk or reduce our opinion of it:**

- **Any reluctance or intentionally false declaration on your part will render the policy null and void. We shall retain any premiums paid and we shall be entitled to demand payment of any premiums due, as provided for in Article L 113.8 of the French Insurance Code.**
- **Any omission or inaccurate declaration by you for which bad faith is not established will result in the termination of the policy ten days after the notification is sent to you by registered letter and/or the application of the reduction in indemnities of the French Insurance Code, as set out in Article L 113.9.**
